TMAX 25th Anniversary

Obsessed to the MAX.

The TMAX story started in 2001 – and the two-wheeled scene would never be the same again. Offering motorcycle performance with scooter convenience, Yamaha had created the world's very first Sport Scooter. A quarter of a century on, the TMAX 25th Anniversary gives you the chance to celebrate an icon.

Available for one year only, the Special Edition TMAX 25th Anniversary features a distinctive red seat, red 3D badges and metallic body colours as well as a range of exclusive details that underline the premium status of this impressive machine.

TMAX 25th Anniversary

Wherever you take your TMAX 25th Anniversary you'll benefit from Yamaha's leading engine and chassis technology that gives you the highest levels of performance and comfort. The connected TFT dash lets you stay in touch, and with its full suite of electronic rider aids and free Garmin Navigation*, you're in control on every ride. (*Full map Garmin Navigation is available free of charge for eligible TMAX models but is not offered in all countries. Some navigation features are not available in all countries.)

Obsessed to the MAX.

With its high performance engine, motorcycle style chassis and scooter convenience, the original TMAX stunned the two-wheeled world back in 2001. Available for just one year, the Special Edition TMAX 25th Anniversary gives every maxi-scooter rider the chance to pay tribute to an icon.

Inspired by the first ever TMAX Special Edition from 2006, the TMAX 25th Anniversary features a premium quality double stitched seat with a unique red cover as well as a red 25th Anniversary 3D logo and special Black MAX badge. The body is finished in an exclusive Dark Gray Metallic finish with a red chrome TMAX 3D badge, beautifully contrasted by Light Gray Metallic boomerangs and black wheels with machined rims.

Iconic, stylish and original, the TMAX has forever changed the way hundreds of thousands of riders choose to live their lives – and many customers have been TMAX fans right from the beginning. With its exclusive colours and unique detailing, the TMAX 25th Anniversary enables you to be a part of the rich history of this much-loved Sport Scooter.

TMAX 25th Anniversary

Exclusive Special Edition

The Special Edition TMAX 25th Anniversary gives every TMAX fan the chance to be an integral part of the history of this legendary model. Few other models inspire the incredible loyalty shown by TMAX riders, and the launch of this exclusive model acknowledges the remarkable story behind the world's very first Sport Scooter. Available for only one year, this limited-edition model celebrates a legacy, making it a truly rare opportunity for loyal TMAX customers.

Special 25th Anniversary colour

The special double-stitched seat is equipped with a red cover that is complemented by a 25th Anniversary logo as well as 3D red chrome TMAX emblems on the body. Stunning Dark Gray metallic body with special edition Light Gray metallic boomerangs offer a feeling of quality and underline the premium finish and superb design of this iconic Sport Scooter.

Exclusive design details

The TMAX 25th Anniversary takes this premium Sport Scooter to another level. Its unique red seat and contrasting body colours mark this Special Edition maxi-scooter as one of a kind. There is an engine protector cover with a clear anodised ring, as well as machined wheels that make this a truly exclusive model.

560cc EURO5+ compliant engine

The TMAX 25th Anniversary is driven by the smooth running 560cc 2-cylinder engine that provides seamless acceleration for effortless 'twist and go' riding. Producing 35kW, this compact 2-cylinder EURO5+ engine delivers strong performance, making it ideal for longer journeys with a passenger and luggage.

Rider's aids

The TMAX 25th Anniversary comes with cutting-edge electronic control technology as standard, giving you high levels of controllability in a variety of road and weather conditions for added feelings of confidence. Fully equipped with ABS, Traction Control, and Brake Control – as well as a 2-level D-MODE that lets you select smoother power delivery in the city or a sportier engine character on the highway.

Connected 7-inch TFT screen

The easy-to-read 7-inch connected TFT dash has three different screen layouts, enabling you to select the option showing information that best suits your riding style. Its enhanced connectivity via the MyRide App enables you to keep in touch with friends, family and work, and access a wide range of functions and services including a riding log, fuel consumption, parking location and more.
