

Concierge-A 6 Passenger

When people are your business

At Yamaha we're famous for designing some of the world's most advanced motorcycles, scooters, outboards and ATV's. And our in-depth technical knowledge has enabled us to produce industry-leading transportation vehicles like the Concierge.

Everything about this luxurious 6-seat transport vehicle is designed to ensure that your customers can enjoy a smooth, convenient and safe journey, right from the pick up point through to the drop off.

The low-emission EFI 4-stroke engine powers your guests quietly and efficiently to their destination - while the extra wide sculpted seats with extra long legroom ensure first class comfort on every journey.

- Luxurious 6-seat customer transportation
- Quiet-running low-emission 357cc EFI engine
- Wide, sculpted seats with generous legroom
- 8.5kW/11.4 HP power output for strong performance
- Tru-Trak II™ independent front strut suspension
- Headlights and tail lights for 24 hour operation
- ClimaGuard top for year-round weather protection
- Convenient underseat storage
- Light and strong HybriCore™ chassis
- Low maintenance design and easy clean bodywork
- Exclusive Yamaha Genius diagnostics

Concierge-A 6 Passenger

Low emission 357cc EFI 4-stroke engine

The Concierge is equipped with Electronic Fuel Injection, making it one of the cleanest and most efficient vehicles in its class. Producing 8.5 kW/11.4HP at 3,500 rpm, the 357cc 4-stroke engine gives plenty of responsive power for a top speed of 31km/h (20mph).

Stylish bodywork with underseat storage

Featuring a tough thermoplastic bodyshell that's finished in a high-gloss polyurethane coating, the Concierge's unrivalled quality stands out. There's plenty of underseat storage space for carrying personal items, and the lightweight roof gives protection from the sun and rain.

Luxurious seating for 6 people

The Concierge's seats are designed to carry 6 people, and are the most luxurious in the class. Each seat features a sculpted foam construction that gives supple back support and promotes good posture for a comfortable ride.

Headlights and tail lights

Fitted with headlights and tail lights as standard equipment, this 'A' list people mover is designed to operate day and night, making it one of the most versatile and convenient ways to transport guests, members or clients from A to B.

Comfortable and convenient

Whether you need to transport guests at a hotel, resort or airport - or even carry VIP guests to a glitzy event, the Concierge is built to impress. With its easy-access interior and luxurious seating, this silent running vehicle gives everybody the red carpet treatment.

Tru-Trak II™ independent front strut suspension

For a smooth, comfortable and luxurious ride, the Concierge is equipped with Yamaha's leading Tru-Trak II™ independent automotive style front strut suspension - while at the rear there's a unit swing arm with coil springs and hydraulic shock absorbers.

Concierge-A 6 Passenger

Power supply/Drive train

Engine type	Yamaha built;low emission single cylinder 60° incline OHV
Displacement	357cc
Bore x stroke	85mmx63mm
