

## Buster - the carefree choice

The most popular motorboat in the Nordic countries, Buster offers an extensive line-up of versatile, tough aluminium boats. The size and layout options cover the full spectrum of boating, from the demands of work - to the pleasures of recreation.

Our designs and quality are uncompromising. Our traditional craftsmanship renowned for generations. So the ruggedness, everyday practicality and seaworthiness of a Buster is already legendary.

Buster Boats is now very proud to be a part of Yamaha Motor Europe N.V. This exciting new partnership will enable us to work more closely together to develop and create ever more innovative products.

- Buster Q 16" screen as standard
- The Buster Magnum is CE certified for 8 persons
- Fixed fuel tank - 300 litres
- Rainwater draining system
- Aluminium floor
- Painted colour topsides with alternative colours
- Trim tabs as standard
- Glass windscreens
- New model for season 2018
- Carefree

## A legend is re-born

Seaworthy. Safe. Fast. These are some of the superlatives that have been used to describe the most desirable boat in this segment. In reality, the new Buster Magnum is all of the above - and then some.

The hull is longer, offering generous interior volume as well as improved handling, while the spacious seating arrangement allows for 8 people to travel and socialise in comfort. Several engine alternatives allow you to customise your boat/engine package.

The modern windscreen, consoles and seating arrangements give the boat an exclusive feel - without compromising any of the practicalities such as comfort and stowage. New Buster Magnum - the greatest all-round performer.

## Modern windscreens and consoles

The modern windscreen, consoles and seating arrangements give the boat an exclusive feel - without compromising any of the practicalities such as comfort and stowage.

## Buster Q - the future of powerboating

Not just a chartplotter - Buster Q is a completely new user experience, integrating features like navigation (powered by C-Map), infotainment, advanced sonar functionality, Yamaha gauges, Wi-Fi, and seamless over-the-air updates. Buster Q is as powerful as many laptop computers.

## Offshore seats

The Buster Magnum is driven from separate seats, specially designed for offshore boating

## Hydraulic steering

The Buster Magnum has hydraulic steering for additional control and comfort.

## Stainless steel hardware

The Buster Magnum has deck hardware and railings in stylish stainless steel

## Optional U-shaped sofa

The optional U-shaped sofa aft contributes to stress-free and relaxed socialising on board.
