## Yamarin. Bringing the pleasure of summer into your life

A sleek, stylish and versatile open boat that offers you a whole world of exciting possibilities. It's ready for water sports of all kinds and designed to keep up with your every demand. So if you're into wakeboarding, water skiing, SUP boarding or scuba diving, this 63 Bow Rider would be a very tough choice to beat.

Not just a great handling, soft-riding, high performance boat, but a sociable one too. Simply swivelling the cockpit seats creates a large, relaxing area for five people in the back, while the driver's console is ergonomically designed and very comfortable, with generous legroom.

And boarding and mooring? Easy and safe - whether at the bow, stern or sides.

# Yamarin 63 Bow Rider

## Handy fender holders

Neatly integrated holders for four fenders are conveniently fitted in front of the console.

## Locking hook

The bow is fitted with an insurance-approved locking hook and a practical anti-skid device on which an anchor reel can be installed.

## Spacious aft bench

The design of the aft bench seat locker and cushions makes it possible to lift the bench without detaching the cushions – and easy-lift gas springs are fitted, which can hold it open if required. There's space in there for the coolbox too.

## Sociable seating areas

Turning the cockpit seats to face the L-shaped sofa instantly creates comfortable seating for a group of five people in the stern.

## Easy access and great layout

Getting on and off this boat is easy and safe, whether from the bow, stern or sides. The thoughtful layout maximises ease of movement throughout - especially helpful for watersports activity.

## Superior design and ergonomics

Excellent driving ergonomics. The 63BR's sturdy construction and deep-V hull design ensure soft-riding comfort and excellent handling, even in rougher seas.
