

# Yamarin 68 Day Cruiser

## Yamarin. Bringing the pleasure of summer into your life

The exciting world of Yamarin is built on this promise - that our boats will bring you the chance to enjoy the best summer of your life, basking in the sun, soaking up the warmth and spending quality time on the water. For day cruising, longer relaxing trips with the family, or just going out fishing or exploring, a Yamarin is the perfect choice.

Now a highly regarded international boat brand, Yamarin is proud to be a part of Yamaha Motor Europe N.V. This exciting partnership enables us to work closely together to develop and create ever more innovative products.

So come boating with Yamarin - we really can make your summer dreams come true!

## 68 DC - One of our most popular Day Cruiser models

The Yamarin 68 Day Cruiser, with its sleek lines - and well planned, spacious and sociable open layout - is right at the top of its class. Perfect for a larger family or a group of friends. Whether in terms of performance, handling or sheer quality of build and specification, the 68 DC has few equals.

If you're looking for a boat that combines excellent all-round capability with well thought-out passenger features, this is a great choice.

While the 68 DC can be powered by Yamaha outboards up to 250hp, it still performs superbly well with only 200hp. Thanks to its thoroughbred handling and soft ride, the driver and his passengers will enjoy the driving experience equally.

## Water-flushed toilet facility

The cabin features a water-flushed toilet with a 28L septic tank.

## Refrigerator

A spacious refrigerator with very economical power consumption, is fitted as standard.

## Wallas cooker

A practical and efficient Wallas 800 cooking stove is available as an option (pre-installed).

## Fresh water system

The sink has a complete fresh water system including a tap, pump and 45-litre tank. The sink unit lid is designed to be used as a work surface and/or chopping board.

## Chart plotter

Provision has been made for a 12" chart plotter to be installed into the steering panel, with an installation conduit provided for the antenna lead.

## Superior design and ergonomics

The 68 DC offers a superb driving experience, its sturdy construction and deep-V hull design ensuring soft-riding comfort and excellent handling, even in rougher seas. For top performance, it can be fitted with a Yamaha outboard of up to 250hp.
