## Sporty, speedy and spacious - a true all-rounder!

The 64 Bow Rider is a boat with genuinely impressive all-round capability - equally at home ferrying people around for day trips, taking you and your friends fishing, or on duty as a family tender. This fast and spacious boat gives you exhilarating speed and performance and is sure-footed and stable - so it's ideal for water sports too.

The focus is on design and ease of movement. The new bow shape and higher handrails make it easier to step into the boat and also at the bow is a comfortable L-shaped couch with a backrest.

A truly comfortable ride is the aim here, with a sturdy, more upright windscreen and long side screens to provide extra protection from wind and spray.

## Great driving position

The stylish console, with its Yamaha multi-function meters and Sea Star hydraulic steering, has a superbly comfortable and well designed seat. The sturdy windshield gives the skipper protection from wind and spray.

## Aluminium deck

The impressive-looking black aluminium deck/floor is provided as standard.

## Comfortable and spacious layout

The large, open bow space, with its practical L-shaped couch is a superb place to ride in comfort.

## Glove compartment

Spacious locking glove compartment and cup holders.

## Storage space is a special feature

A handy detachable seat/storage box is placed in front of the driver's position, while even more space is provided under the co-driver's console, along with mounting space for an ice box (optional accessory).

## Stowage for canopy

The canopy compartment is a standard feature that is both elegant and functional.
