

The ultimate sports experience

Yamaha's designers are taking the maxi scooter riding experience to a whole new level with the TMAX SX Sport Edition.

Everything about this dynamic sport scooter tells you it's built for winners. The exclusive Akrapovič exhaust hints at the 530cc engine's ability to deliver outstanding performance – and its aggressively styled bodywork, dual LED headlights, sport screen and license plate holder confirm its sporty motorcycle-inspired design.

A lightweight aluminium chassis with sophisticated upside down front forks and link-type rear suspension give you agile sports handling and outstanding stability – while D-MODE and TCS put you in control.

- Motor puternic de 530 cmc, cu doi cilindri în linie
- High quality 360 degree riding experience
- Exclusive Akrapovič exhaust with carbon cover
- Sport screen and license plate holder
- Şasiu ușor din aluminiu pentru manevrare agilă
- D-MODE cu 2 niveluri care se adaptează la diferite condiții
- Sistem de pornire fără cheie - Cheie inteligentă
- Suspensie spate articulată
- Anti-theft centre stand locking system
- Sistem de control al tracțiunii (TCS)

TMAX SX Sport Edition

My City. My Sport. My Win.

You work hard. You play hard. And you deserve the very best things in life. Which is why trying out Yamaha's ultimate sport scooter is a must: TMAX SX Sport Edition.

Equipped with an exclusive Akrapovič exhaust that underlines its quality and exclusivity, this flagship maxi scooter is built to give the most dynamic sport riding experience. And to confirm its class-leading status, this high performance TMAX features a sports screen and license plate holder plus special colour options.

You can also be sure that TMAX SX Sport Edition comes with all the advanced technology you need to own the city – including D-MODE, TFT instruments, keyless operation and TCS.

TMAX SX Sport Edition

Exclusive and unique Akrapovič exhaust

When Yamaha's designers set out to create the most dynamic sport scooter, they chose to fit only the best possible components. Equipped with a cool carbon cover and delivering a throaty roar and gutsy tone that announce your arrival, the high performance Akrapovič exhaust adds to the thrill you'll experience on every ride.

Sport screen and licence plate holder

As well as its high specification Akrapovič exhaust with carbon cover, this class-leading sport scooter is also fitted with a sport screen that accentuates the aggressive lines of the aerodynamic motorcycle-style bodywork. Other unique features include a sporty licence plate holder.

Die-cast chassis

As with all the TMAX models, the SX Sport Edition is equipped with a specifically designed die-cast chassis. Utilizing an advanced motorcycle-type construction and engine mounting points, the lightweight aluminium frame and long swingarm ensure agile handling and dynamic performance – making TMAX the most exciting and dynamic maxi scooters on the street.

2-level D-MODE adapts to different conditions

To benefit fully from the 530cc engine's class-leading acceleration and torque-rich performance, you need be able to take full control. The 2-level D-MODE enables you to easily select 'T' mode for smooth power delivery around town – or you can switch to 'S' mode for more powerful and sporty performance on the open road.

Sport Edition body colours

When you're riding the ultimate sport scooter you want to stand out, and the TMAX SX Sport Edition comes in a choice of two strong colour options that satisfy even the most sophisticated tastes. Its timeless design and iconic status convey a dynamic character and attract smart riders who know the difference between fashion and style.

Smart Key keyless ignition system

Whether you need to start the engine, unlock the seat, and lock or release the centre stand, the keyless ignition makes everything so much easier. As long as you're carrying the Smart Key close by you'll be able to operate the TMAX SX Sport Edition – saving you time and making your day a little bit easier!
