

FJR1300AE Ultimate Edition

Legendary turns

The FJR1300 is a true thoroughbred that has been chosen by more than 120,000 riders all over the world. Driven by a high-performance 1,298cc engine that's housed in a sporty aluminium chassis, this bike is built to excel at everything from transcontinental tours through to the daily commute.

Equipped with electronic suspension and upside-down forks – as well as wind-beating bodywork, shaft drive and outstanding ergonomics – the FJR1300AE is one of the most comfortable and capable sport tourers ever built. Now there's a very special new model that's built to offer you even more.

It's the FJR1300AE Ultimate Edition – and the name speaks for itself! Dressed in a premium black/gold finish and fitted with exclusive features including a black seat with gold stitching – as well as a high screen, wind deflectors, gold wheels and hard side cases – this is your chance to ride with an icon.

- Exclusive Ultimate Edition model
- Premium specification & black/gold finish

- Fully adjustable ergonomics for added comfort
- All round LED lights with cornering lights
- Advanced electronic control systems
- 3-part instrumentation
- 25-litre fuel tank, shaft drive, side cases, 12V socket

FJR1300AE Ultimate Edition

Legendary turns.

In 2001 the FJR1300 brought new levels of performance and capability to the Sport Touring world. To mark two decades of success, Yamaha has created the exclusive new FJR1300AE Ultimate Edition. With a premium specification and a timeless black/gold finish, it celebrates the FJR's iconic status.

The classic black bodywork and gold wheels underline its status as one of the most exclusive Yamaha sport tourers – and with a range of special touring features including a new seat, high screen, wind deflectors and hard side cases, the FJR1300AE Ultimate Edition is ready to go as far as you want.

The outstanding 1,298cc engine features sophisticated electronics that give you precise control in varying conditions – and with its electronically-adjustable suspension and upside-down forks, the FJR1300AE Ultimate Edition offers unmatched comfort on the longest journey.

FJR1300AE Ultimate Edition

Exclusive Ultimate Edition model

With the ability to cover huge distances at speed, the FJR1300 opened up a whole new world for riders who wanted tourer capabilities with sports performance. Featuring a most impressive specification, the new FJR1300AE Ultimate Edition represents the finest tribute to one of the best-loved Sport Tourers.

Premium specification and black/gold finish

To mark 20 years at the top of Yamaha's Sport Touring line, the company has created this special high specification model. Its premium black/gold finish pays tribute to its iconic status, and the exclusive features includes a black seat with gold stitching and FJR logo, as well as a high screen, wind deflectors and gold wheels.

Electronically-adjustable suspension and USD forks

The FJR1300AE Ultimate Edition is equipped with high-performance upside-down front forks which form an integral part of the sophisticated electronically-adjustable suspension package. Together with the rear shock, the advanced forks can be electronically adjusted to suit different loads and riding conditions, allowing you to fine tune the system in seconds.

1,298cc inline 4-cylinder engine with YCC-T

Featuring a Yamaha Chip Controlled Throttle (YCC-T) for smooth power delivery, the advanced 1,298cc inline 4-cylinder 16-valve powerplant delivers outstanding sports performance. Its high torque output makes for strong acceleration in all gears – and the impressive top-end enables you to cover massive distances without trying too hard.

Fully adjustable ergonomics for added comfort

For maximum riding pleasure the FJR1300AE Ultimate Edition is designed to allow you to make easy adjustments to the riding position and aerodynamics. The seat height and handlebar position can be fine-tuned to suit different riding styles – and for effective wind protection there's an electrically-adjustable screen and an air management system.

All round LED lights with cornering lights

Twin-eye headlights are equipped with four compact and powerful LED lighting units – while the LED position lights and LED taillight assembly underline the FJR's high-tech specification. Featuring adaptive cornering lights that illuminate as the bike banks over, the FJR1300AE Ultimate Edition is one of the most sophisticated bikes in its class.

FJR1300AE Ultimate Edition

Engine	
Engine type	Liquid-cooled; 4-stroke; 4-valves; DOHC; Forward-inclined parallel 4-cylinder
Displacement	1,298cc
Bore x stroke	79.0 mm x 66.2 mm
Compression ratio	10.8 : 1
Lubrication system	Wet sump
Clutch Type	Wet; multiple-disc coil spring
Ignition system	TCI
Starter system	Electric
Transmission system	Constant Mesh; 6-speed
Final transmission	Shaft
Carburettor	Fuel Injection
Maximum power	107.5kW (146.2PS) @ 8,000 rpm
Maximum Torque	138.0Nm (14.1kg-m) @ 7,000 rpm
Limited power version	N/A
Fuel consumption	6.2l/100km
CO2 emission	140g/km

Chassis	
Frame	Aluminium; Diamond Shaped
Front suspension system	Upside-down telescopic fork, Ø48 mm
Front travel	135 mm
Rear suspension system	Swingarm; (Link type suspension)
Rear Travel	125 mm
