The sporty and stylish way to move about!

The XMAX 125 Tech MAX has been developed using pure and undiluted MAX DNA to give you the ideal mix of style, functionality and performance. Just twist the throttle, and you'll experience strong acceleration, together with agile handling - making this sporty, stylish and practical sport scooter a fast and effective commuter. Welcome to the exclusive MAX family!

Smart Key keyless operation.

When you're commuting, you want every journey to be as easy and stress-free as possible. Which is why we've equipped the XMAX 125 Tech MAX with a Smart Key keyless ignition system. As long as you have the key with you, you can unlock and start your scooter and access the underseat storage, without having to physically put the key into the ignition.

Traction Control System.

On a typical ride to work, you may encounter everything from wet roads to shiny manhole covers and polished cobblestones - and even mud and dirt, near to construction sites. Thanks to the XMAX 125 Tech MAX's Traction Control System, you can now ride with confidence, because it gives you added control, by maintaining rear wheel grip on slippery surfaces.

Large underseat storage.

The XMAX 125 Tech MAX may be one of the sleekest, sportiest and most exclusive models in the Sport Scooter class - but it's also one of the most practical, thanks to the large underseat storage space! Just flip up the seat, and you can store 2 full-face helmets or a laptop, and more - and for added convenience, a neat box light illuminates the compartment.
