

## Start your adventures, effortlessly

Head afloat with a YAM 310 TAF and enjoy the stability and comfort of the aluminium hull. Renowned for their simple, stylish designs, customer focussed features, such as the flat deck and anchor locker, the YAM 310 TAF inflatable is helping people get out on the water more easily – and have more fun.

All YAM models share the Yamaha reputation for proven reliability – and durability that's really long-lasting. The hulls and keels are designed for maximum practicality, agility and performance with a comfortable, stable and secure ride

Just add a stylish Yamaha outboard, with its world class performance and supreme reliability – for an unbeatable package.

- Perfect for fishing and safety boat duties
- Ideally with a lightweight Yamaha 20hp outboard
- Rigid aluminium hull for comfort and stability
- V-shaped hull for enhanced sea-keeping
- Flat floor for superior loading and passenger comfort
- Easy handling and great manoeuvrability
- Light, strong aluminium oars with easy-stow clips
- Reinforced transom for Yamaha outboard motor
- Air pump included for quick set-up and get-away

## Start your adventures, effortlessly

Enjoy an effortless and fuss-free transition onto the water, to let the adventure begin that much sooner. The YAM 310 T Af offers extreme levels of ease and convenience, paired with agile handling.

The hull of the YAM 310 T Af is incredibly lightweight, but incredibly tough too; making it ideal for pulling ashore and enjoying time on the beach. Convenient bow storage provides a perfect home for anchor and equipment and the flat deck allows for easy boarding and additional storage.

Seating can be configured to suit your personal style of adventure, with the possibility of a bench seat and two console options, one with additional storage, making it ideal for adventures.

## Aluminium V-hulls - really tough and comfortable

When it comes to delivering a true all-rounder, the smart, anti-slip aluminium V-hull helps take the performance of these models up to another level. They add to the stability, comfort and general 'feel' of these light and easy-handling inflatables, really adding to the enjoyment and fun and enjoyment of being out on the water.

## Seating to suit you

Choose from a tiller steer or a bench and steering console, with the option of additional storage.

## Smart storage

The spacious anchor locker in the bow is ideal to keeping all your essential gear tidy and dry, leaving more space for people and luggage on the deck.

## Functional flat deck

Step aboard in style as the flat deck of this craft offers an easier boarding experience, particularly from a yacht, along with plenty of space for fishing gear, picnic baskets or anything you want to bring along on your adventure.

## Built to last

For maximum strength and good looks, all YAM inflatables are constructed using the latest generation PVC material, with most seams and joints thermo-welded for optimum watertightness and safety. The result is a smart, clean exterior surface that is highly resistant to abrasion, salt water and sunlight.

## Built to take the pressure

A cleverly designed air baffle system is incorporated into the hull tubes of all YAM inflatables, helping to keep the individual chambers completely sealed for safety. It also ensures air pressure is maintained equally throughout the tube and allows your boat to absorb minor impacts without major problems.
