

Boost up the excitement.

Whether you're piercing through the waves, or gently cruising across the bay, the VX Cruiser HO is the top of the VX range with the most powerful engine of the family. 4 cylinders and 1.9L of high output, for purest excitement, combined with a NanoXcel2® deck for exceptional cruising luxury. Compromise is not an option.

Adding breathtaking excitement to your ride. Innovative technology and engineering are at the core of the VX Cruiser HO. From our unique, revolutionary RiDE® system and lightweight hull, to the exclusive electronic control systems and the new top-notch 4-stroke 1898cc engine, this stunning VX Cruiser HO has it all to boost your excitement.

Let the cruising excitement begin. Enhanced graphics and details, optimum features and sheer build quality add even more to the package - the result is a guarantee of excellent performance and premium comfort. The best of both worlds.

- Powerful High Output 1,898cc 4-cylinder engine
- Revolutionary RiDE® system for intuitive control
- Easy-access multi-function 4.3 inch colour display
- Adventurous styling, colour and graphics
- Huge and practical storage with 114 litre capacity
- Excellent new ergonomic driving position
- Large, watertight glovebox and separate phone storage
- Extended re-mount platform with Hydro-Turf mat
- Easy re-boarding with extended re-mount platform
- Convenient self-draining footwells
- Tow hook and large integral mirrors

Boost up the excitement.

Whether you're piercing through the waves, or gently cruising across the bay, the latest VX Cruiser HO is the very top of the VX range with the most powerful engine of the family. New, enhanced graphics and details streamline the sporty silhouette. 4 cylinders and 1.9L of High Output, for the purest excitement, are combined with exceptional cruising luxury for those for whom compromise is not an option.

Life's no popularity contest, but when it comes to WaveRunners, it's worth taking note. Versatility tops the charts of the many factors that make the VX models our most sought-after personal watercraft. An impressive performance repertoire that takes you from the adrenaline-pumping excitement of water sports to the relaxing world of waterway cruising inspires enduring loyalty.

Live life to the max. The latest VX Cruiser HO is a stand-out premium watercraft, delivering a potent blend of high-performance excitement, precision handling, riding comfort and outright style. Now with a lightweight NanoXcel2® deck, the VX Cruiser HO is a sure bet for the ultimate cruising experience.

RiDE® system (Reverse with Intuitive Deceleration Electronics)

The revolutionary RiDE® system transforms your riding pleasure, bringing a new feeling of confidence to every rider at every level. Simply pull the lever on the right hand-grip to move forward and accelerate – pull the lever on the left grip to slow down or reverse. Yes, with the bonus of Reverse Traction Control, it really is that simple!

4.3-inch multi-function colour display with fast access

Among its many hallmarks, the easy-to-read Connex® display helps you control and monitor all the systems on board, using the fast-access buttons below the handlebar. Top speed and acceleration limits can also be entered from here - along with the PIN code-activated learning and security settings. We put the latest technology to work for you!

Easier re-boarding with redesigned steps and more grips

The latest VX Cruiser HO will appeal to water sports fans, with its large dual mirrors, an extended rear platform with an enhanced, more comfortable re-boarding step, and a strong tow hook. The stylish, comfortable, slip-resistant Hydro-Turf mats are another bonus safety feature to look forward to after going for a swim. Two pop-up cleats make tying up a breeze too!

High Output, DOHC, 16V, 1,898cc engine

The VX Cruiser HO is powered by our newest innovative High Output, a 4-cylinder, 1,898cc WaveRunner engine. This remarkable machine packs a real punch and offers extraordinary acceleration and great top-end power yet with economy and comfort features integrated.

Extensive and practical storage facilities (114 Litres)

The latest VX has ample amounts of storage space so that you can take everything you might need along with you. Not only do we ensure plenty of space under-seat and bow storage, but in addition, the very large, watertight glove box has blue LED accent lighting, USB and 12V outlets - even a handy space to secure and charge your telephone.

Sleek, modern design and striking graphics

We wanted the very latest VX Cruiser HO to look good as well as feel good, so we've added a powerful, attractive colour and graphics scheme that's sure to catch the eye as you blast across the water. Whichever of the two striking colour schemes you go for, it's sure to look great at the dock too.
