

Work. Play. Relax. Repeat.

With its rugged chassis and high-torque engine, the Kodiak 450 EPS SE is a tireless worker that can carry 120kg on its racks - or tow up to 600kg - allowing you to traverse extreme terrain with tools, provisions or equipment.

Long travel gas suspension and a spacious riding position ensure all day riding comfort - and the wide-section 25" tyres and switchable 4WD/ Diff Lock can find traction where other vehicles may struggle.

Electronic Fuel Injection reduces running costs and gives easy hot and cold starting at different altitudes - and Yamaha's legendary durability and reliability get you there and back every time. Kodiak 450 EPS SE: work, play, relax, repeat!

- Practical and versatile mid-sized utility ATV
- The most durable ATV transmission on the market
- All day comfort, added functionality, easy to use
- Compact body design with roomy riding space
- Less fatigue and more precise handling by EPS
- Stable and planted handling and steering
- Driver selectable wheel drive system
- Low gear for hauling and tough terrain
- Excellent capacity to stow or tow cargo
- SE two-tone painted body & aluminium wheels
- Yamaha quality with high reliability

Kodiak 450 EPS SE

Work. Play. Relax. Repeat.

The Special Edition Kodiak 450 EPS SE combines unmatched styling with the iconic Kodiak reliability and durability. A truly versatile, mid-sized ATV, this tried and tested utility machine is the ultimate work companion for those who are #DRIVENBYRESULTS.

Its easy to use technology, outstanding durability and Yamaha reliability enable the Kodiak 450 EPS SE to take on the toughest jobs in extreme terrain. The industry-leading On Command drive system allows you to switch seamlessly between 2WD, 4WD and even 4WD with full Differential Lock at the push of a button – and the Ultramatic automatic transmission makes every task more relaxing and enjoyable.

The Kodiak 450 EPS SE is a versatile and practical mid-sized utility ATV. Featuring exclusive Special Edition colour and graphics, premium aluminium wheels and Electronic Power Steering, it is the ultimate in comfort and convenience with a luxury twist.

Yamaha 421 cc EFI engine

The Kodiak 450 EPS SE has the power to conquer the toughest terrain thanks to its 421 cc single cylinder liquid cooled engine that produces plenty of smooth torque at low revs. Its Electronic Fuel Injection system ensures easy starting in hot or cold conditions at a range of altitudes, giving reliable and economical performance wherever you go.

25-inch tyres with wide tread width & Alu wheels

So that you can find the optimum traction even on the most challenging terrain the Kodiak 450 SE is fitted with specially developed front and rear tyres mounted on light weight Aluminium wheels. Featuring an all-terrain tread pattern, the extra-wide AT25x8-12 front tyres and the AT25x10-12 rear tyres find extra grip whether you're riding across mud, snow and rock.

Long-stroke KYB gas charged front and rear shocks

The developed all-round independent double wishbone suspension gives 171mm front wheel travel and 189mm rear wheel travel, helping to make light work of extreme terrain. And with their ability to soak up bumps, ruts and other obstacles, the KYB gas-charged shocks system with preload adjustable springs deliver all day riding comfort.

On-Command@ 2WD/4WD/Diff-lock

The Kodiak 450 EPS SE models are fitted with an easy to operate On-Command@ system with 2WD/4WD and 4WD with Diff Lock for full control and for quick and effective switching between 2WD and 4WD, or even full diff-lock allowing you to choose the right option to suit the terrain and surface conditions.

Electric Power Steering (EPS)

The Kodiak 450 EPS SE model is equipped with Yamaha's highly acclaimed Electronic Power Steering (EPS) that is specially designed to give you the best balance of rider assist combined with a natural and positive feel. And for additional illumination, the EPS model features a powerful halogen handlebar-mounted high beam headlight.

Ultramatic@ CVT transmission

Ultramatic@ CVT automatic transmission makes every trip easier and more enjoyable, both for seasoned riders and also for new entrants to the mid-sized utility ATV class. Its durable V-belt delivers smooth acceleration – and the Kodiak 450 EPS SE's sophisticated all-wheel engine braking system gives you added confidence and control on downhills.

Engine

Engine type	Single cylinder;Liquid-cooled;4-stroke;SOHC
Displacement	421cc
Bore x stroke	84.5 mm x 75.0 mm
Compression ratio	10.0 : 1
