

## Born for free spirits

You don't have to be a motorcyclist to ride the XSR125. Because this new lightweight has been specifically developed for anyone who may be reconsidering the way they live their life. And if – like many people – you're looking at alternative ways to get around, this new Yamaha has everything to offer.

With its comfortable riding position, smooth suspension and agile handling, the XSR125 is a joy to ride. Its full-power 11kW 125cc engine is fully EU5 compliant for use in many restricted city centres\*, and features Yamaha's advanced VVA technology for reduced emissions and increased economy. And its pure neo-retro design gives a timeless look and understated appeal.

- Heritage style with sport performance
- Lightweight spoked wheels with gold rims
- High performance sport tyres
- 2-piece aluminium muffler cover
- Dedicated colours and graphics
- Class leading 125cc 11kW engine
- 37mm upside-down front forks
- Strong and lightweight Deltabox frame
- Stylish LED lighting
- Premium details

Like every Yamaha, the XSR125 features a premium specification for a first class riding experience – and reliability and build quality are second to none. So if you're a car driver with a B-licence\* – or a rider with an A-licence – it's time to join the Faster Sons family and discover a new sense of freedom with the fashionable, affordable and fun new XSR125. \* Limitations and restrictions may apply per country under applicable local laws

## Born for free spirits

The fashionable new XSR125 has got what it takes to get you there in less time. Its timeless looks and eye-catching colours stand out wherever you go, and the full-power 125cc 11kW engine and agile handling make every trip into work or college a whole lot more fun than going by crowded public transport.

It's the newest bike in Yamaha's Sport Heritage line up, and comes with a premium specification that includes LED lights and full LCD instruments just like the larger capacity XSR700 and XSR900 – as well as a lightweight Deltabox frame and USD front forks that give a confident and comfortable ride.

More than anything, the new XSR125 is all about becoming part of Yamaha's stylish and unique Faster Sons movement that includes a whole package of clothing and accessories that match your attitude. It's the sure way to having more fun and freedom, and is ready to make things happen for you. \* Limitations and restrictions may apply per country under applicable local laws

## Heritage style with sport performance

The XSR125 Legacy is a perfect example of how Yamaha's iconic Sport Heritage bikes are inspired by the past and built for the future. Beautifully crafted aluminium components complement its timelessly styled bodywork – and behind the modern retro exterior this iconic lightweight benefits from Yamaha's very latest high performance engine and frame technology.

## Lightweight spoked wheels with gold rims

The attention to detail on this 125cc Sport Heritage bike is what makes it stand out wherever you go. The classic spoked wheels with gold coloured aluminium rims are inspired by Yamaha's winning race bikes from the 1970s, giving the XSR125 Legacy a timeless feel and authentic look.

## High performance sport tyres

This lightweight 'Faster Sons' Yamaha is aimed at any rider – beginner, experienced or returning – who is searching for the real spirit of motorcycling. To bring out the bike's sporting potential it's equipped with Metzeler Karoo block pattern tyres that ensure high levels of traction for exhilarating performance.

## 2-piece aluminium muffler cover

Everywhere you look on this beautifully finished motorcycle you'll see that it's been put together with close attention to every component. Emitting a deep and powerful sound, the upswept muffler features a stylish 2-piece aluminium cover that underlines the bike's sporty specification.

## Dedicated colours and graphics

The XSR125 Legacy's tank and side panel graphics are influenced by the designs used on Yamaha's larger capacity Sport Heritage bikes – and the bike is available in a dedicated Historic Black finish.

## Class leading 125cc 11kW engine

Powering this outstanding Sport Heritage bike is one of the most successful designs that is also featured on the MT-125 Hyper Naked and R-125 Supersport. Developing 11kW – the maximum allowed in the A1 license class – this powerful 125cc liquid cooled 4-stroke engine delivers strong acceleration for an exhilarating ride every time.
